After the events of April 2nd, I wanted to take a moment to acknowledge the tragedy that has affected our community. My heart aches for all the service members, families and friends who have been affected. They will be in my prayers for a very long time. I also wanted to say thank you to our membership. I received so many emails, texts and calls, asking what they could do to help the injured service members, the families of the fallen and injured and the friends who were affected. It was so heartwarming to watch our community pull together again. You will find information on how to help in this newsletter, but feel free to email me, should you need more information on how to help.

I know that our postponement of our Denim and Diamond Membership Meeting and Luncheon did not come as a surprise for most, but I am glad we were able to reschedule it for April 16th. We are aware that this change may not be convenient for all Club members and that childcare is a big issue, and I am sorry about that. I do want to let you know that even if you are unable to make it to the entire luncheon, you can still stop by to cast your vote for both the 2014/2015 Executive Board and the current proposed budget changes between 11:00am and 12:15pm at Club Hood.

As we look forward into May, we will host our last big fundraiser of the year. Our 18th Annual Golf Scramble will be held on May 2nd. Please make sure to look for details about this event in the newsletter for both golfers and volunteers. I hope that you will be able to join us, as it is such a fun day!

In closing, I want to share a quote with you that has touched my heart as we begin the next steps in our journey:

“Even if we are occupied with important things and even if we attain honour or fall into misfortune, still let us remember how good it once was here, when we were all together united by a good and kind feeling which made us perhaps better than we are.” - Dostoevsky

Ladies and Gentlemen,

Thank you very much for your support and genuine care for our Soldiers and families. It has been greatly appreciated. During the next few weeks, we are planning to feed groups of Soldiers in their company areas and at some FRG meetings. Either Angela or Cricket will be sending out requests for meal assistance. Dear Fort Hood Community Supporter:

The 18th Annual Fort Hood Officers’ Spouses’ Club Golf Scramble is fast approaching. This year’s scramble is on Friday, May 2, 2014, at the Courses of Clear Creek, and its success depends on generous donations from supporters like you.

The Fort Hood Officers’ Spouses’ Club is a volunteer-run, 501(c)(3) charitable organization that is dedicated to bettering the quality of life of military families and their surrounding community. Enclosed is this year’s sponsorship brochure listing the many ways that you can advertise your business while making a difference in so many lives – and having fun at the same time! In addition to these sponsorships, we are always in need of great items for our silent auction, opportunity drawings and of course, hole prizes. We look forward to your involvement and welcome any donation you can provide. We would appreciate your donation before Friday, April 4, 2014, so that we can ensure proper recognition of our sponsors.

TRACY CURRAN

Tracy has been married to her husband, Phillip, for the last twenty years. She and her husband are raising three teenage boys, one of which just joined the Air Force. She has been an active member of the Spouses’ Clubs at all the installations that she and her family have been stationed at over the past twenty years. She has also served on multiple Spouses’ Club boards in almost every position over the past eleven years.

Tracy is always a very active member of her community, not only committing many hours to the Spouses’ Club but to other non-profits and her boys schools. Over the past twenty years, she has received many awards for her service, but most recently, she was honored as a “Hood Hero” for volunteerism within her husband’s battalion, and Iron Mike Award for overall volunteerism at Fort Bragg and the Order of the Vivandieres, the highest award an MP spouse can receive.

Tracy has always been very passionate about giving back to the community in which she resides. She finds that the Spouses’ Clubs are not only one of the best ways to make friends and mentor spouses, but also one of the best ways to truly make a difference in her local communities.

Tracy accepted the nomination for the Fort Hood Officers’ Spouses’ Club President for 2014/2015 after serving as the President of the Club this board year. She feels very strongly that although there are always challenges faced during every board year, continuity is very helpful in growing a strong board, a strong membership and even stronger programs.

ADRIAN EVANS

Adrian Evans is currently serving as FHOSC 2nd Vice-President. She has been here at Fort Hood for four years. During that time she was the FRG Leader for 2-393 Infantry, Division West Representative for the General Board of FHOSC, and is currently the Division West Representative for Santa’s Workshop.

Adrian has been married to LTC Ardrelle L Evans for twelve years and has lived in five duty stations. Her family has lived in Arizona, Louisiana, Kansas, Hawaii, and Georgia. Hawaii was her favorite and where her youngest was born. She has two sons, Ardrelle Jr., 12 and Aaron, 7. Adrian loves people and finds it rewarding to volunteer and give back to the community. She has been recognized and has earned The Yellow Texas Award, Bayonet Brigade Spouses Auxiliary Lifetime Membership Award, and the Commander’s Service Award for Public Service.

In her spare time, Adrian loves to sew and runs a small business with two of her friends. Her business is called All Tied Out and they make unique, one of a kind accessories from Up-cycled Men’s Neckties.

1st Vice President

Vicki Engle

Vicki is married to MAJ Walt Engle, and Mom to Jackson, Sarah & Abby. She is currently the Vendor Co-Chair for the 2013-2014 FHOSC, Media Relations Chair for the 2013-2014 Junior League of Bell County, and she is currently completing her MBA in Healthcare Management at Saint Leo University. She loves being an active member of our Fort Hood community and feels that volunteerism is the most rewarding way to do so. She looks forward to serving the FHOSC next year.

2nd Vice President Co-Chairs

Jackie Messenger

I am very excited and honored that someone nominated me for 2nd VP of the FHOSC. If selected for the position I would work extremely hard and to the best of my ability to bring the club an exciting year of fun and informative luncheons. I am a creative and outgoing person and I would use my personality to get club members excited about coming to luncheons, getting involved in our community outreach fundraisers, and joining sub clubs.

Since joining the FHOSC in October, I have been on the committee for Holiday Bazaar, Wild West Night, and Golf Scramble. I have also volunteered at Sweetheart Bingo, cleaning the new FHOSC offices, and sold raffle tickets at the December luncheon. Although I have not been at Fort Hood for long, I feel that I have shown that I am a dedicated club member with a lot to offer the executive board.

I also have previous leadership experience. In college I was the VP of my sorority. I worked closely with the president to problem solve and bring our chapter through a very difficult year. Before being the VP, I sat on the events committee; an experience that I think will come in hand while performing the duties of 2nd VP.

I am looking forward to potentially being a member of the executive board. I will work extremely hard and bring my best to the FHOSC. I am a positive and upbeat person, which is always needed on a board.
JENNIFER VROEGINDEWEY

I would like to accept the nomination of 2nd Vice President for the Fort Hood Officers’ Spouses’ Club for 2014-2015. I feel that I would be a very good candidate for this position because I have leadership skills, a very outgoing personality, a positive attitude, and a strong work ethic. I volunteer a lot and try to put myself out there and I feel that I am goal oriented, driven and can motivate others to be the best they can be. I feel that friendships are important and in this position I hope to help and encourage others to build those friendships through social activities, camaraderie and help maintain those bonds for years to come.

I feel that I am absolutely qualified for this position in every sense of the word. I have always been a leader and held positions on every board of every activity/organization I was in, because I work hard and am passionate about what I do in life. If it wasn’t Student Council, National Honor Society, Science Club, Future Business Leaders of America, etc, it was the captain of the volleyball team, cheerleading squad and I was even my Senior Class President (which qualified me to take on the planning of all future class reunions, yay!) I continued my leadership into college, where I was also on the cheerleading squad, became a championship power lifter in both the state and national levels and graduated with honors. I was not in a sorority since cheerleading took a lot of my time, but my part-time job all throughout college was with the Student Events Center, where I volunteered my time at all of our events and also had a hand in planning most of them.

After trying out a couple of different career options (corrections officers in charge of sixty-two female inmates and then a social worker for a year), I landed in childcare where I would stay for six years. I began as a Lead Teacher, and quickly moved up to Assistant Director, then Director—all within a year. I managed a staff of 25-30, was in charge of over 100 children in my child development center on a daily basis and I was also responsible for payroll, customer accounts and marketing for three different schools.

When I left Missouri and started on this military journey with my husband and children, I was hopeful that I would be able to pick up where I left off, surrounded by a lot of friends and families, and able to be involved as much as possible. When we moved to Fort Hood a couple years ago, I struggled to find my place, until I found the FHOSC. I wasn’t quite sure what I was getting myself into, but I knew that I wanted to be involved! I helped when and where I could, and joined several sub clubs, but with the birth of my daughter, was not able to be as involved as I had hoped. This past year I was able to meet some wonderful people, who were just as outgoing as me, and worked just as hard, and sometimes harder. I volunteered to serve on the board, as Publicity Liaison, served on the Holiday Bazaar committee, was part of the Wild West Night triad and have volunteered to chair the Holiday Bazaar next year.

In addition to my current FHOSC responsibilities, I am also a part of several Sub Clubs, volunteer for all of our FHOSC events, and I am also serving on the PTA board at my children’s school, in charge of creating the monthly newsletters and Bulletin Boards.

To sum it all up, I have had both leadership experiences, as well as experience in planning numerous social events. The friendships I have made here will indeed last a lifetime, and the wonderful ladies I have met through this club have been both encouraging and inspiring. I hope to have the opportunity to do the same for others in the coming years.
2014-15 BOARD POSITIONS BIOGRAPHIES

CORRESPONDING SECRETARY

Stacy Clady

I have been an active member of the OSC for many years at duty stations all over the world. I have held several different positions: recording secretary, scholarship, reservations, and unit representative. Here at Fort Hood, I have also been involved with the Holiday Bazaar, Sweetheart Bingo, Wild West Night, and Santa’s Workshop. I have also volunteered in the local community with the Harker Heights JROTC Booster Club as treasurer and Union Grove Middle School PTO as the Box Top Chair and Teacher Appreciation Chair.

I would like to volunteer with the OSC as the Corresponding Secretary. I am organized, timely and friendly. I know the importance of getting mail to the correct person quickly as well as phone messages. I enjoy being part of an organization that supports the community while having fun and building friendships.

Jennifer Strong

My name is Jennifer Strong and my husband Eric and I have been married for 14 years, through 8 military moves. We have five children. I am an attorney with 10 years of experience practicing corporate law. Since 2007, and following the birth of our second child, I have been at home with our children. My volunteer experience over the years includes several positions with the Susan G. Komen Foundation (Omaha, Nebraska), corresponding secretary for Santa’s Castle (Fort Benning, Georgia), Girl Scout Brownie Leader (Fort Hood, Texas) and various FRG positions, as well as volunteering with the kids’ schools.

In our 9 months here I have seen the various activities of the OSC and their benefit to our Soldiers, families and Fort Hood community. It has made me want to be involved. My professional and volunteer experience with writing and communication make me a good fit for the Corresponding Secretary position.

OPERATING TREASURER

Amanda Cooper

My qualifications include 3+ years of banking experience. I have both a Bachelor’s and Master’s in Education with an emphasis on Administration and Supervision through which I have built budgets for entire schools and school districts. I currently hold the Operating Treasurer position and have been the Funds Custodian for 3/3 CR Havoc Troop FRG for the past two years. I enjoy working with the OSC board and on its various committees.
2014-15 Board Positions Biographies

Recording Secretary

Jennifer Bayless

I am a proud Army wife of 11 years to CPT Wyatt Bayless. I am the mother of two of the most amazing and energetic kids, Austin and Chloe. Currently, I am self-employed with Thirty-One as an Independent Consultant and I am working to become a certified Doula through DONA International.

Some past experiences as an employee and as a mother that I feel would be helpful to the position as Recording Secretary have been a Licensed Practical Nurse, Director of Nursery and Preschool for Memorial Baptist Church, FRG Leader and the adoption of our daughter. Each of these positions required paying attention to detail and prioritizing patients, data, Soldiers, and pertinent information.

I am very humbled by the nomination and excited to be part of this amazing organization and the upcoming activities! I look forward to helping the community by serving on this board to benefit each person that is to come into contact with FHOSC either inside the gates or outside.

Community Outreach Treasurer

Ashley Dixon

My qualifications for this position include my profession as a personal financial planner, handling clients investments and budgets on a daily basis as well as my other volunteer roll as a financial specialist for my sorority’s collegiate chapters in the state of Texas assisting with annual budgets and membership billing.

I would like to accept this nomination because I have greatly enjoyed my time on the FHOSC board this year currently serving in this role and giving back to our community. Although this past year was intimidating having not worked with QuickBooks previously, I now feel more than capable and will strive to exceed expectations if elected to hold this position on the board this coming year.
